EDUCATION

- Doctor of Philosophy, University of Minnesota** July 2014
Molecular, Cellular, Developmental Biology & Genetics
Dissertation, “Studies on the Antiretroviral Mechanism of Action of Clofarabine.”
Advisor: Dr. Louis M. Mansky
- Juris Doctor, University of Minnesota** December 2012
Concentration in Health Law & Bioethics, Magna Cum Laude
- Bachelor of Arts, Michigan State University** May 2007
Social Relations, James Madison College, with Honors
- Bachelor of Science, Michigan State University** May 2007
Microbiology and Molecular Genetics, with Honors
Specialization: Science, Technology, and Environmental Policy Studies

POSTDOCTORAL TRAINING

Research Fellowships

- Postdoctoral Research Trainee* August 2017-present
Research Group of Dr. Gregory Phillips II, Institute for Sexual and Gender Minority Health and Wellbeing (ISGMH), Department of Medical Social Sciences, Northwestern University Feinberg School of Medicine, Chicago, IL, USA
- Joined Dr. Gregory Phillips II’s group to receive expert mentored training in SGM health research methods and grantwriting in a dedicated SGM research institute.
 - Characterized the epidemiology of diabetes risk factors among adolescent and young adult SGM populations.
 - Analyzes and disseminates findings on barriers and facilitators to accessing HIV prevention and treatment services among young men who have sex with men (YMSM) in Chicago, focusing on the role of stigma.
 - Submitted NIH funding applications to support transition to faculty position to develop an independent research program investigating how HIV, diabetes, and anti-SGM stigma contribute to minority stress and associated chronic disease SGM health disparities.

- Postdoctoral Research Trainee* August 2015-July 2017
Research Group of Dr. Kerri Cavanaugh, Division of Nephrology & Hypertension & Director of LGBTI Research, Program for LGBTI Health, Vanderbilt University Medical Center, Nashville, TN, USA

- Successful completion of didactic coursework, resulting in the development of skills in clinical research design, data management and biostatistical analysis in R, and epidemiology
- Design and oversee health services research studies investigating the impact of stigma on chronic disease care for sexual and gender minority (SGM) populations
- Publish peer-reviewed manuscripts summarizing complex health outcomes data related to diabetes and kidney disease
- Co-developed clinical informatics algorithms to identify sexual minority and transgender patients within electronic health records systems to inform health systems quality improvement programs for SGM patient populations

HIVCorps Public Health Fellow

August 2014-July 2015

Co-Investigator and Project Head for ACADEMIC (A Comprehensive Assessment of Diarrhoea and Enteric Disease Management in Children), Centre for Infectious Disease Research, Lusaka, Zambia

- Successfully co-planned and led implementation of the ACADEMIC Endline, a tablet-based survey of 24,247 households, assessing the effectiveness of behavior change interventions and rotavirus vaccination to reduce diarrhea-related mortality in children under age five in Lusaka Province.
- Responsible for hiring, supervising, training and mentoring five full time employees and 65 temporary employees to ensure timely, compliant, and on-budget study implementation.
- Planned, directed, and assisted with tablet-based data acquisition and electronic data management.
- Synthesized study findings and delivered oral and written reports summarizing and interpreting study data to donors, community stakeholders, and within the peer-reviewed literature.

Certificates

Certificate in Multilevel Modeling June 2016
 Johns Hopkins Bloomberg School of Public Health Summer Institute of Epidemiology and Biostatistics

Certificate in Cohort Analysis Methods June 2016
 Johns Hopkins Bloomberg School of Public Health Summer Institute of Epidemiology and Biostatistics

Certificate in Introduction to the Principles and Practice of Clinical Research 2015-2016
 NIH Clinical Center, National Institutes of Health

Coursework

Diabetes: The Essential Facts, Coursera & University of Copenhagen, March 2017

Responsible Conduct of Research, Northwestern University, December 2017

Data Science Specialization (except capstone course), Coursera & Johns Hopkins University Bloomberg School of Public Health, March 2016

Statistical Computing in R, Vanderbilt University, Fall 2015, Audit

PREDOCTORAL RESEARCH TRAINING

Graduate Research Assistant

February 2008-July 2014

Lab of Dr. Louis M. Mansky, University of Minnesota, Minneapolis, MN, Supported by NIH NRSA F31 Fellowship

- Designed and used HIV vectors in single-cycle and spreading viral replication cell culture experiments.

- Investigated the molecular mechanism of action of compounds with anti-HIV activity.
- Conducted sequencing experiments to determine the impact of anti-HIV drugs on the mutant spectrum, evolution and fitness of HIV in cell culture.
- Performed phylogenetic analyses of genes in innate immune pathways hypothesized to have anti-HIV activity.

Graduate Research Assistant November 2007- February 2008
Lab of Dr. David Thomas, University of Minnesota, Minneapolis, MN.

- Performed site-directed mutagenesis, protein expression, and purification of the myosin regulatory light chain.

Graduate Research Assistant May 2007-October 2007
Lab of Dr. Reuben Harris, University of Minnesota, Minneapolis, MN.

- Studied protein-protein interactions to investigate the innate immune response against HIV.

Intern, Global PMTCT August 2006-December 2006
HIV/AIDS Department, World Health Organization, Geneva, Switzerland

- Created prevention of mother-to-child transmission of HIV (PMTCT) research and advocacy toolkit; developed global PMTCT expert database in Microsoft Access.

Undergraduate Lab Researcher May 2005-August 2006
Canine Genetics Lab, MSU, East Lansing, MI

- Used bioinformatics methods to identify feline and canine APOBEC3 proteins.

Undergraduate Lab Researcher May 2005-August 2006
Lab of Dr. Sheng Yang He, MSU, East Lansing, MI

- Used genetic and molecular biology research methods to identify *Arabidopsis thaliana* genes conferring disease resistance to bacterial plant pathogens.

AWARDS AND HONORS

Academic Fellowships and Scholarships

Loan Repayment Program Health Disparities Award NIMHD, National Institutes of Health	2016-present
Supported by Vanderbilt University's NIH Renal Biology T32	2016-2017
NIH F31 Ruth L. Kirschstein NRSA Recipient	2010-2013
Interdisciplinary Graduate Fellowship Winner Graduate School, University of Minnesota	2010
Travel Scholarship Recipient for Cold Spring Harbor Retroviruses Meeting University of Minnesota Joint Degree Program	2010
MCDB&G Travel Scholarship Recipient for Cold Spring Harbor Retroviruses Meeting	2010
Point Foundation Graduate Scholar	2009-2012
PFund Foundation Scholarship Recipient	2009
Full Meeting Scholarship Recipient 10 th Annual Symposium on Antiviral Drug Resistance	2009
National Science Foundation Graduate Research Fellowship Program	2008
Joint Degree Scholarship, University of Minnesota Law School	2008-2010
University of Minnesota Graduate School Fellowship Recipient	2007-2010

Point Foundation Undergraduate Scholar	2006-2007
Phi Beta Kappa, Michigan State University	2005-2006
Member and Graduate of the Honors College, Michigan State University	2002-2007
Valedictorian Scholarship Recipient, Michigan State University	2002

Academic and Professional Awards

2 nd Place Clinical Category Mid-Atlantic Nephrology Young Investigator's Forum, Baltimore, MD	2016
3 rd Place Clinical Category National Nephrology Young Investigator's Forum, Boston, MA	2016
Book Award, Law and Neuroscience University of Minnesota Law School	2012
Book Award, Biotechnology and the Law University of Minnesota Law School	2010
Best Oral Argument in Section University of Minnesota Law School Maynard Pirsig Moot Court	2009-2010
Best Brief in Section University of Minnesota Law School Maynard Pirsig Moot Court	2009-2010

Leadership Honors and Awards

Community Partnership Award, Nashville Regional HIV Planning Council	2017
Ten Outstanding Young Americans, US Jaycees	2014
Community Excellence Award, University of Minnesota GLBTA Programs Office	2014
Timothy J. Salo Award, Runner Up, University of Minnesota Council of Graduate Students	2014
Ten Outstanding Young Minnesotans, Minnesota Jaycees	2013
Top 40 Under 40 LGBTQ Leaders in the United States, <i>The Advocate Magazine</i>	2013
Recognition for Law-Related Public Service, Minnesota Justice Foundation	2012
Breaking the Silence Award, University of Minnesota GLBTA Programs Office	2010
Mary A. McEvoy Award for Public Engagement and Leadership, University of Minnesota	2010
President's Student Leadership and Service Award, University of Minnesota	2010
Co-Student Leader of the Year Award, Michigan State University	2007
Who's Who Nationally Among College Student Leaders	2006

TEACHING ACTIVITIES

Guest Classroom Lectures

Lauren Beach, "Legal and Ethical Considerations in the Provision of LGBT Health," Vanderbilt University School of Nursing, Guest Lecture in "LGBTI Health and Interprofessional Practice," (NURS 6019), June 6, 2016, June 11, 2017, and June 7, 2018, Nashville, TN.

Lauren Beach, "The Epidemiology of Bisexual and Asexual Populations," Johns Hopkins Bloomberg School of Public Health, Guest Lecture in, "Epidemiology of LGBT Health," November 9, 2017, Baltimore, MD.

Lauren Beach, Del Ray Zimmerman, Jesse Ehrenfeld, “What Every Doctor Needs to Know about LGBT Health,” Required Presentation for Fourth Year Medical Students, February 16, 2017, Meharry Medical College, Nashville, TN.

Lauren Beach and Chris Purcell, “Intro to LGBTQI Identities,” Vanderbilt University School of Nursing, Guest Lecture in “Enhancement of Community and Population Health I,” (NURS 5105), September 13, 2016, Nashville, TN.

Continuing Medical Education Presentations

Lauren Beach, “Stigma and the Health and Healthcare of LGBTQI Populations,” September 28, 2017, Integrating HIV Care into Primary Care, The University of Alabama at Birmingham Center for AIDS Research, Birmingham, AL.

Lauren Beach, “Stigma and Physical Health Disparities in LGBTQI Populations,” LGBT Health Grand Rounds, March 13, 2017, Vanderbilt University Medical Center, Nashville, TN.

Lauren Beach, “Best Practices for Identifying and Including LGBTI People in Clinical and Translational Research,” December 2, 2016, Clinical Research Center Skills Workshop, Vanderbilt University Medical Center, Nashville, TN.

Lauren Beach, “Electronic data capture health survey administration in an LMIC setting: Lessons learned in Zambia,” December 14, 2015, Global Health Grand Rounds, Vanderbilt University Medical Center, Nashville, TN.

Lauren Beach, Erin Meininger, Alex Iantaffi, Loretta Worthington. "Providing Culturally Competent Care to LGBTQ Communities." CME Credits Provided , University of Minnesota, Boynton Health Service, February 24, 2011, Minneapolis, MN.

Lauren Beach, Eric Meininger, Alex Iantaffi, Loretta Worthington. "Providing Culturally Competent Care to LGBTQ Communities." CME Credits Provided, University of Minnesota, Boynton Health Service, December 7, 2010, Minneapolis, MN.

Research Supervision

Medical Students

Christine Dinh, (Co-Mentored with Dr. Kerri Cavanaugh), Medical Student Summer Research Training Program (SRTP), Vanderbilt Diabetes Research and Training Center (DRTC), May 2016-August 2016.

Shyam Kankotia, (Co-Mentored with Dr. Kerri Cavanaugh), Medical Student Summer Research Training Program (SRTP), Vanderbilt Diabetes Research and Training Center (DRTC), June 2017-August 2017.

Cali Kirkham, (Co-Mentored with Dr. Jesse Ehrenfeld), Vanderbilt University Program for LGBTI Health Summer Internship Program, May 2017-August 2017.

Undergraduate Students

Keanan Gottlieb, (Co-Mentored with Dr. Jesse Ehrenfeld), Vanderbilt University Program for LGBTI Health Summer Internship Program, May 2016-August 2016.

McKenna Bagan, (Co-Mentored with Dr. Jesse Ehrenfeld), Vanderbilt University Human and Organizational Design Internship Program (Site: Program for LGBTI Health), September 2016-December 2016.

Sami Heller, (Co-Mentored with Drs. Jesse Ehrenfeld and Kerri Cavanaugh), Vanderbilt SyBBURE Searle Undergraduate Research Program, September 2016-August 2017.

James Ding, (Co-Mentored with Dr. Jesse Ehrenfeld), Vanderbilt University Program for LGBTI Health Summer Internship Program, June 2017-August 2017.

Jake Broschart, (Co-Mentored with Dr. Gregory Phillips II), EDIT Program, Northwestern University, March 2018-present.

OTHER LEADERSHIP

Non-Profit 501(c)(3) Board Leadership, Officer or Director Level.

- Queer Student Cultural Center, Minneapolis, MN, Director, 2008-2011.
- Minnesota GLBTA Campus Alliance, Minneapolis, MN, Trainer, 2009-2014, Director, 2009-2011.
- Bisexual Organizing Project, Minneapolis, MN, Director, 2009-2010, Chairperson, 2010-2013, Secretary, 2013-2014.
- China AIDS Orphan Fund, Minneapolis, MN, Director, 2007-2010, President, 2011-2012.
- Healthy Kids: Brighter Future, Brunswick, ME, Director, 2015-2018.

Public Health Leadership and Service

- Rainbow Health Initiative, Tobacco Free Lavender Communities, Minneapolis, MN, Member and Bisexual Health Consultant, 2008-2010.
- University of Minnesota Boynton Health Service Student Health Advisory Committee, Minneapolis, MN, Member and LGBTI Health Consultant, 2008-2014.
- Minnesota Department of Human Services Alcohol and Drug Abuse Division Strategic Prevention Framework – State Incentive Grant, Committee Member and LGBTI Community Consultant, 2010-2012.
- Advisory Council Member for the “Just Us” LGBTQI Youth Program, Oasis Center, Nashville, TN, 2016-2017.

RESEARCH FUNDING

Academic Research Grants Funded

F31 Ruth L. Kirschstein NRSA Individual Fellowship to Promote Diversity in Health Related Research. National Institutes of Health. "Opioid Impact on Trim37-Induced Restriction of HIV." 5F31DA030249. 8-30-2010 to 9-29-2013. Award Amount: \$129,620.00. Percent Effort 100%, Role: PI

Vanderbilt University Medical Center Renal Biology Disease Training Program. NIH T32 5T32DK007569. (PI: Raymond Harris) July 21, 2015-present. Percent Effort 100%, Role: Postdoctoral Fellow Trainee

“Defining the Impact of SGM Status Disclosure on Health Outcomes to Ensure Equity: The DISCLOSE Study.” Gay and Lesbian Medical Association, Lesbian Health Fund. (PI: Lauren Beach) July 19, 2016-present. Award Amount: \$9426.00. Role: PI

Loan Repayment Award – Health Disparities, “Investigating Disclosure of Sexual and Gender Minority Status to Health Care Providers: Impact on Medication Adherence, Patient Satisfaction and Health Outcomes.” National Institutes of Health. August 2016-present. Award Amount: \$66,000.00 Role: PI

“Dental Quality of Care, Barriers to Accessing Care, and State & Federal Health Policy Decisions,” Culture of Health Grant, Robert Wood Johnson Center for Health Policy, Meharry Medical College. August 2017-present. (Role: Co-Investigator; PI: Jesse Ehrenfeld, MD/MPH)

“Determining Self-Management and Clinical Associations Related to Diabetes Stigma: DISCARD Stigma,” VUMC Center for Diabetes Translation Research Pilot & Feasibility Award. August 2017-present. (Role: Co-Investigator; PI: Kerri Cavanaugh, MD/MHS)

Programmatic Grants Funded

University of Minnesota

Grants Funding the Bisexual Empowerment Conference: A Uniting Supportive Experience (BECAUSE Conference), April 17-29, 2009 (Awardee: University of Minnesota Queer Student Cultural Center (QSCC))

- University of Minnesota Student Activities Office Coca Cola Grants, \$1000.00
- University of Minnesota Student Activities Office Student Services Fees Grants, \$1000.00
- Minnesota Student Association Diversity Education Fund, \$1800.00
- University of Minnesota Graduate and Professional Student Association, \$1500.00

Community Foundations

Rainbow Health Initiative, Mini-Grant Program, Minneapolis, MN

- Awardee: Bisexual Organizing Project, 2009, Award Amount: \$2000.00
- Awardee: Bisexual Organizing Project, 2010, Award Amount: \$2000.00
- PFund Foundation, Creating Power through Community Grant Program, Minneapolis, MN
- Awardee: Bisexual Organizing Project, 2012, Amount: \$5,000.00
- Awardee: Bisexual Organizing Project, 2013, Amount: \$5,000.00
- Awardee: Bisexual Organizing Project, 2014, Amount: \$5,000.00
- PFund Foundation and Bush Foundation, QReach Partnership Grant, Minneapolis, MN, 2014
- Awardee: Bisexual Organizing Project, 2014, Amount: \$5,000.00 (Proposal Co-written with Mary Hoelscher, Camille Holthaus, and Briana McMichael)

Pending Grants

Assessing Stigma and Care Continuum Outcomes among Racially Diverse SGM patients (ACCORDS). K99 application under review at National Institute for Minority Health and Health Disparities as of May 7, 2018. Grant Number: 1 K99 MD012789-01A1. Role: PI

Project Recognize: Improving Measurement of Sex, Sexual Orientation, and Gender Identity through Community Engagement. R01 application under review at National Institute for Minority Health and Health Disparities as of June 5, 2018. Role: Co-I.
